

WAITING FOR THE NIGHT

In my time of restless desolation
I call to you each night in my sleep
I look for you as I wander in the streets
Time is always chasing at my feet

Memories of you keep passing by
The need of longing always has me crying
I need you oh, I need you, will I find you
I'm Waiting For The Night

Waiting for the Night
In the night I see you
Waiting for the night
In the night I need you
I'm Waiting For The Night

Can you feel my soul feel my heart
I can't take much more, I'm just losing
And I'm sinking with each rising sun
I'm waiting For The Night
